Special prices on larger orders.

Purchaser pays Express or Freight, except at towns where we have Salesmen working. State how you want stock shipped.

Terms Cash, unless otherwise previously agreed.

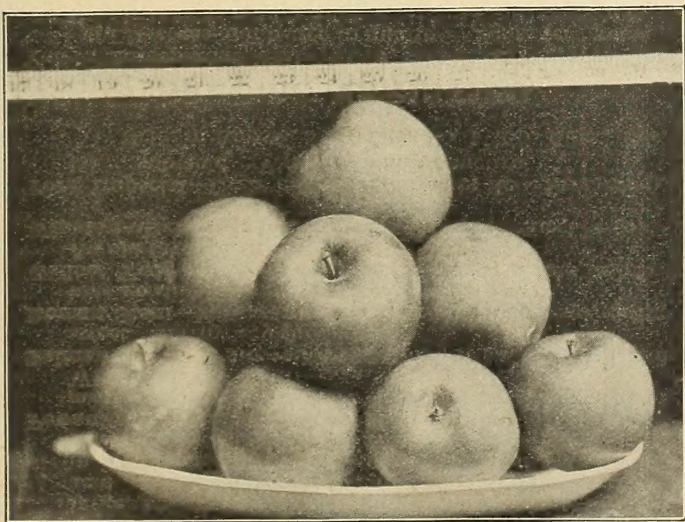

We ship by American, United States and Wells Fargo Express, and C. M. & St. Paul, C. & N. W., I. C., C. M. & N., C. D. & N., and C. & G. W. Railroads.

PRICE LIST OF

Cotta Nursery and Orchard Co.

FREEPORT, ILLINOIS.

For the convenience of our Customers we print the single, dozen and 100 rates in cents. Single rates in common figures (thus 25c.); dozen rates in black figures (thus 20c.); and 100 rates in italics (thus 15c.)

APPLES.

Summer Varieties.

Duchess (of Oldenburg)—Yellow, streaked red, good size, juicy, sub-acid. Very hardy and productive.

Red Astrachan—Deep crimson; very showy, large, juicy, pleasant acid.

Sops of Wine—Dark crimson; medium size. Among the best for dessert.

Autumn Varieties.

Longfield—Yellow, with slight blush. Medium size; very juicy, pleasant, sub-acid. An early and very heavy bearer.

McMahon—White, very large. Origin, Wisconsin. Use, cooking.

Strawberry (Autumn)—Yellowish green, streaked red, medium, tender, juicy; fine flavor.

Wealthy—Striped and splashed with rich crimson; medium to large; flesh white, fine, tender, juicy, lively sub-acid,

very good. Originated in Minnesota. Very hardy and productive.

Wolf River—Yellow; partly covered with light and dark red. Very large and hardy.

Winter Varieties.

Ben Davis—Striped and splashed dark red; large, productive, late keeper. Prized in the southwest.

Gano—Dark red, very handsome; large, an early and heavy bearer.

Grimes' Golden—Deep rich yellow, medium size; flesh yellow, crisp, fine grained, tender. Of the best quality.

Jonathan—Dark red, very beautiful; medium to above in size; fine grained, tender, juicy, rich, very good.

Mammoth Black Twig—Dark red, late keeper. Seedling of Winesap

Minkler—Greenish yellow, nearly covered with dark red. Medium to large, quality good.

Missouri Pippin—Beautiful red; medium. Very productive and an early bearer and good keeper. Medium quality.

Northwestern Greening—Greenish yellow; large to very large, smooth, handsome; quality mild, pleasant, sub-acid. This has become the most popular winter variety in Wisconsin, the state where it originated. Tree very vigorous, hardy and productive.

Pewaukee—Greenish yellow, striped and mottled red; medium to large, tender, juicy, good. Originated in Wisconsin.

Talman Sweet—Pale yellow; medium, flesh fine, rich and sweet. Hardy and productive.

Roman Stem—Yellow, medium size; juicy, rich, sprightly; very good. A long lived tree.

Willow Twig—Striped; medium to large; a late keeper. An old favorite.

Winesap—Dark red; late keeper. Fine for dessert or cooking.

York Imperial—Light crimson, good size; flesh firm, crisp, juicy, sub-acid. Vigorous and productive.

Price of Apples, 5 to 6 feet, No. 1, 35c. **30c.**, 25c.

SPECIAL VARIETIES.

Yellow Transparent—Pale yellow, medium to large; earlier than Duchess and better in quality. Bears very young. Highly prized; very hardy.

Fameuse (Snow)—Deep crimson on greenish yellow; very handsome, medium size; flesh snowy white, tender, juicy, high flavored. Productive and very hardy.

Fall Orange—Yellow; large; flesh white, tender, juicy, sub-acid. One of the best for cooking. Very productive; highly prized.

Milwaukee—Striped and splashed red; very early bearer. Vigorous, hardy tree.

Salome—Light red; medium size; quality very good; late keeper. Very productive.

Price, special varieties, 5 to 6 feet, 50c., **40c.**, 35c.

CRAB APPLES.

Brier's Sweet—Pale yellow and light red; large, sweet, rich flavor, very fine. September.

Hyslop—Dark red; very handsome. An old and popular variety. October.

Milton—Red and yellow; texture similar to Transcendent but without pucker, very fine, never blights.

Transcendent—Red and yellow; well-known.

Whitney—Very large, no pucker; fine for children. Tree hardy; long lived. Crabs, 5 to 6 feet, 40c., **35c.**

CHERRIES.

Dye House—Very early. Much like Richmond.

Early Richmond—Bright red, medium size, fine, sprightly, acid flavor. Very popular.

English Morello—Dark red; rich acid; late. Very productive.

Montmorency—Ripens about 10 days later than Early Richmond, and is larger and of superior flavor. Very hardy and productive.

Price, 4½ to 6 feet, ¾-in. and up, 75c., **60c.**

PEACHES.

Bailey—White; medium size; free, hardy.

Champion—White; large, juicy and rich. One of the best.

Hardy.

Elberta—Yellow; large, showy, fine flavor.

Price 4 to 6 feet, 35c., **30c.**, 25c.

PEARS.

Bartlett—Large, early, high flavored.

Clapp's Favorite—Large, early, juicy, sweet.

Flemish Beauty—Juicy, sweet, highly prized.

Kieffer—Large, late; fine for canning. The most productive and profitable pear grown.

Koonce—Combines earliness, good size, high quality, productiveness and hardness.

Wilder—Very early. A fine pear, medium size; an early bearer. Price, 5 to 6 feet, 60c., **50c.**

PLUMS.

Burbank—Japanese; very large, nearly round; bear young.

Lombard—European; purple; popular east.

Miner—Dark red; late, hardy, popular.

Shropshire Damson—Purple; fine for preserves.

Price, on Plum roots, 5 to 6 feet, 50c., **40c.**

De Soto—Americana; yellow; partly overspreads with bright red as it ripens; flavor rich, sweet. One of the best in quality, an early and heavy bearer.

Wolf—Americana; dark red, very large, perfect freestone, hardy, popular.

Wyant—Americana; purplish red; large, handsome, sweet, rich. One of the best flavored, to peel and serve with cream and sugar or to eat out of hand. Very prolific and hardy. Price, on Plum roots, 5 to 6 feet, 75c., **60c.**

The Americana varieties are best suited to the soil and climate of the Northwest.
